

**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: while I no longer live in the Sydney CBD I am a frequent visitor. As well as the above concerns I am appalled at the total disregard for the importance of established trees in our environment. At a time when there are serious concerns about man's detrimental impacts on the environment, to continue to remove trees (vital to the balance of said environment and vital as a living space for native birds and animals) is both arrogant and unintelligent.

Thank you for considering my Submission.

Yours sincerely,
