

**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: I am VERY concerned about the loss of important established trees in and around Randwick and the State Government's lack of concern for not only the trees but OUR natural environment. The trees will take more than 100 years to replace and even then they will not be the same due to the evolution of the species. They should not have been removed and the State Government should apologise and compensate all those affected by the loss.

Thank you for considering my Submission.

Yours sincerely,
