**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

Name: Name suppressed

Date Received: 7 July 2018

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

Business owners affected by the project have not been compensated adequately.

The project has caused immense inconvenience and has gone way over budget and over the time estimated to complete.

Hundreds of Sydney's most beautiful and important old trees were shamefully chopped down for this project. A smart administration would have found a way to circumvent this terrible atrocity.

The project appears to be so badly planned that now fighting has occurred with the builders of the project.

The public has been “kept in the dark” about the progress of the project. People are angry.

Thank you for considering my Submission.

Yours sincerely,
