LIGHT RAIL PROJECT**

Thank you for the opportunity to make a Submission to the Inquiry.

I have watched the light rail evolve never have a seem such a waste of taxpayer money, to accommodate bad planning in the first instance. In another 5 years this light rail will be inadequate as the influx of mass immigration. What happened in the last 100 years, look at our forefathers who has insight, commitment pride & cared, all missing today. The Governments of today have absolutely destroyed this once fine state that we were proud to be part of.

Thank you for considering my Submission.

Yours sincerely,
