Thank you for the opportunity to make a Submission to the Inquiry.

I have lived close to Anzac Parade in Flinders Street for 30 years.

am concerned for the local business, I cannot park to go to the usual places I shop, the light shop, upholsterer Peters or take away food shops the pub or the appliance shop. How can these businesses stay in operation without customers?

My specific concerns follow:

Too late for the trees, I protested and I'm absolutely devastated.

Yes too late now, the whole thing should have been an extension of the underground rail much like other cities and similar to Eastern Suburbs Rail both underground and over rail.

At least I've been able to express my views.

Yours sincerely,
