MY PERSONAL DETAILS ARE CONFIDENTIAL I am pleased to have a say, the disruption to traffic flow and the Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project. WHY wasn't a pattern followed (similar to Eastern Suburbs Rail) hooking up with the already functioning well tried and true network? It also concerns me an Australian Company wasn't given the job.

Too late for the magnificent trees destroyed, hopped up for woidchip planted in memory of our WW11 hero's I'm deveatated. Why do we even have to demonstrate to save trees???? AND now it's going to become illegal.

The project is sending small business in Anzac our of business more destruction.

Thank you for giving us the opportunity to put forward a Submission.

Yours sincerely,
