

**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: I am very concerned by the huge unnecessary destruction of trees and parklands while this very poorly conceived light railway is being constructed. I am also concerned by the general disruption for both businesses disrupted so unmercifully by the incompetence – why prepare the whole route then take so very long to complete ? Stages, well planned and coordinated would have been wise. To my knowledge, residents in Devonshire Street are having a very very difficult time, with constant noise, difficulty to just walk about and rats, somehow disturbed from rail tunnels.

Thank you for considering my Submission.

Yours sincerely,
