Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

Loss of hundreds of Sydneys most significant trees. The negative impact to the street scape, community and social culture in the way people live and interact. Unfortunately, the Light Rail Project has turned the route into an industrial, dustbowl. Please leave what greenery is remaining. The project should have been forward thinking that would have left a legacy for generations to come. Thank you for considering my Submission.

Yours sincerely,
