Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

I am so disappointed at the blatant disregard for community opinion that surrounded this project. My personal opinions about the history and a greater empathy for each living being aside, big business wins out too many times in ruining so much of what is good in Sydney: being surrounded by some of the most beautiful natural wonders in the world. You can't bring back those trees, you may as well have killed the soldiers they represented as well.

Thank you for considering my Submission.

Yours sincerely,
