LIGHT RAIL PROJECT**

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the lack of comprehensive planning, community consultation, and the impact on the local environment. I'm also concerned, ironically, over the potential adverse effects on local business and communities as a result of the poorly planned, poorly communicated project. This is a public project, publicly funded, allegedly for community benefit, so there needs to more transparency, including the business case, and real consultation.

Thank you for considering my Submission.

Yours sincerely,
