MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

Impact to residents in terms of going further than the requisite light rail stations and subsequent disruption

Impact of traffic through major thoroughfares such as Alison Road

Lack of parking impacting business in the area

Long term sustainability of the project, ie., underground would have been far superior an option for the future

Impact on taxpayers to complete this project that is over time, over budget

Environmental impact to the already destroyed natural habitat

Lack of communication to residents regarding the project

Lack of public consultation around the impact of the project

Thank you for considering my Submission.

Yours sincerely,
