**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

The project has dragged on causing Traffic chaos and buildups on formerly quite streets. In particular Rainbow Street and Snape St in Randwick. I am no longer able to safely cross Rainbow Street on my bicycle due to the heavy traffic. This renders the dedicated bicycle route useless.

The loss of greenspace and mature Morton Bay figs is also a huge blow to the community and travelling down Anzac Pde and Alison Rd and seeing that destruction is devastating. The impact of these tree removals on the community psyche has been seriously underestimated.

Thank you for considering my Submission.

Yours sincerely,
