Hi, my name is Breannon Little, I'm 19 I've been with NDIS For just over a year now and I just did a new plan with ndis and honestly I isn't meeting my requirements, they took my transport money out of my plan which it has made it harder for me to travel places, they want me to go out and socialise but I don't have the money to go to events like that because they don't fund that kind of stuff but they expect everyone on ndis to get out and do stuff but it's hard when they don't find that kind of support.
