

**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Name suppressed

Date Received: 20 August 2018

Partially
Confidential

Please carry on with the works - all of them including the link from Haberfield to St. Peters. Tempe, Sydenham, Marrickville and Peterhsam and gridlocked all day by traffic trying to get from bottleneck to bottleneck. Not everyone in the Inner West Council district thinks WestConnex is bad. Quite the opposite. I can't wait for it to open.
