**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Name suppressed

Date Received: 13 August 2018

Partially
Confidential

Westconnex is too focused on itself. One of the off-ramps will dump traffic into Bourke Street Masco; funneling traffic headed for the airport through the Mascot Town center. This road is already at capacity with the extra traffic from Westconnect, Burke Road will become an all day car park - Not good for the town and not good for the airport bound traffic. Just a little for thought would have diverted traffic around the town center. The problem will be dumped on the local community - Westconnex will have its money. This blinkered "not my problem " thinking is a formula for bad results
