PROJECT**

Greetings

These six attachments are irrefutable evidence further landslips will occur at the rear of my property Lilyfield Road Rozelle should stage three Westconnex tunnelling go ahead.

I have previously advised Alicia Ison, Community Relations Manager | Fulton Hogan | Gordon Street, Rozelle NSW 2039 NSW 2015, Australia, and now inform this committee of my grave fears .

The only way to disprove my assertion re further landslips is to geo-test my property and others around it. If my property is damaged by tunnelling such as occurred in Lane Cove in 2005, <https://www.smh.com.au/national/commuter-chaos-to-go-on-after-tunnel-collapse-20051103-gdmd7q.html>

I will present these and other documents to an appropriate court to seek full recompense.

Regards Henry Johnston
