INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Name: Mr Hamid Dadgostar

Date Received: 7 August 2018

Hi

I am extremely concerned about my son's physical health suffering from Asthma and i wish that westconnex be fully accountable for smoke stacks in our area , I don't like what is going to happen to us, being delivered smoke of all cars on the top of us while it could be disbursed as its created instead of focussed in one area, i also understand that the quality of smoke filtering is bad and negligent. please stop westconnex and transfer the money to a good public transport infrastructure

My kindest regards

Hamid reza Dadgostar
