Our plan ran out on the 29/6/2018 we have had no plan review or a date for a plan review so no services are available to us we are disgusted isn't the NDIS meant to make life better well it's certainly not doing that for us we have rang the NDIS constantly since the plan ran out with no one being able to tell us anything .Have made an official complaint now we are off to the ombudsman this needs to be fixed .
