**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Name suppressed

Date Received: 28 August 2018

Partially
Confidential

I am writing to let you know that I object to the possibility of my family member being exhumed from their final resting place. My mother in-law was buried in 1993 and my wife and I bought the plots next to her for our future use. I spent many years volunteering, mowing, watering and cleaning up the whole cemetery, not just her area until my heart condition no longer allowed. It is my belief that graves should never be disturbed and this would devastate my wife, that the plans we had made would be changed. She needs to rest in peace, please have some compassion for the remaining family members.
