**INQUIRY INTO CEMETERIES AND CREMATORIA  
AMENDMENT REGULATION 2018**

I am writing to let you know that I object to the possibility of my family member being exhumed from their final resting place. My mother was buried in 1993 and my husband and I bought the plots next to her for our future use. My husband spent many years volunteering, mowing, watering and cleaning up the whole cemetery, not just her area until his heart condition no longer allowed. It is my belief that graves should never be disturbed and this would devastate my family, She needs to rest in peace, please have some compassion for the remaining family members.
