**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Mr Troy Frame

Date Received: 28 August 2018

My father died on the 29/2/1988, and is buried in the Lawn Cemetery at Muswellbrook. I visit the site regularly, as does my Mum, Brother and Sister. It is his final resting place and a sacred site to me. Every person who has loved ones who have died, and while the family is still remembering that person, the site should remain untouched. Please let them Rest In Peace
