**INQUIRY INTO IMPACT OF THE WESTCONNEX  
PROJECT**

**Name:** Name suppressed

**Date Received:** 28 August 2018

---

Partially  
Confidential

Westtconnex is a shortsighted remedy to try and ease congestion its a very expensive short term fix as shown in the M5 Westconnex is an extremely expensive toll road. Tax payers dollars should be spent on public transport upgrades and other necessary items rather than wasting 16.8billion on tunnels Air pollution will increase, there are many better ways than stimulating the economy than reducing traffic on the roads by a couple of minutes
