25 yrs is absolutely outrageous as a time frame for this new legislation! Think and do the numbers first! A family that has lost a child should not be subjected to this barbaric new law. Let people rest and their families grieve without the ongoing expense! It costs enough as it is to lay a loved one to rest already. I understand if there are sites which are already 50 or more years and no one tends to them or maintains them but 25 is not acceptable
