

**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Mrs Lesley Willing

Date Received: 29 August 2018

Dear Sirs / Mesdames Digging up those laid to eternal rest is sacrilege. To even consider this is an act so appalling as to render you all unfit for public office. The decision would cause iheart-break and immense distress to Australians when they are most vulnerable, unforgivable to kick a person when they are down. Truly appalled Lesley Willing
