**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

A person is interred in their 'final resting place'..this change in law will destroy religious and common civilities and can only be seen as a favour for a business friend of the ministers involved in the decision of said change. Never mind being laid to rest next to, or with, your soulmate, partner or spouse.....especially when one can pass and the other can live a number of decades after.
