**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

I understand the dilemma of future spaces for burials but I would sincerely request a longer period of waiting. Twenty five years is not enough time. I lost my mother at 27 so I am only 65 now and as my mother died from tragic circumstances I don't think that i could handle seeing this drastic measure taken. My dad bought a grave sight in good faith and I had his remains cremated and placed with mum. Please reconsider the time span of this proposal.

Yours sincerely
