**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Ms Denise Apps

Date Received: 30 August 2018

Australian Government is a disgrace now with there bickering and changing of Prime Ministers. BUT this is DISGRACEFUL hitting the POOR again. I am a fifth generation Australian but not a proud one. My great nephews aged 5 and 7 lost their Mother, my Nephew had her cremated. Does this mean these poor boys with have nowhere to sit and talk to their Morher. Disgraceful, shameful!!!!
