**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Name suppressed

Date Received: 28 August 2018

Partially
Confidential

Westconnex poses a serious threat to our city's liveability including reduced air quality and the massive loss of parkland, trees and valuable inner city land. Congestion in inner city Sydney is already a huge problem and this project will destroy a number of suburbs with traffic, pollution and a poorly conceived and non future-focussed mega highway.
