INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Name: Mr Deepak Khuller

Date Received: 28 August 2018

Dear NSW Parliament, I am a local Alexandria resident that is appalled to how Westconnex was allowed to happen with no scrutiny. It has impacted negatively my life by clogging already crowded Alexandria streets. The whole project from the start has had hallmarks of nepotism at cost of public money. People should be held responsible for what they have done. I support a strong independent public inquiry on this madness. Thank you.
