INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Name: Mr Sam Weiss
Date Received: 28 August 2018

For Consideration by the Legislative Council Inquiry on WestConnex As a regular traveler between the Eastern Suburbs and the Blue Mountains I have a keen interest in transit solutions for what is a 100 kilometre trip each way. It seems to me that the public interest would be better served with a much improved high speed rail link through the Blue Mountains to the west rather than additional motorway infrastructure. The loss of public parkland and the additional pollution from greater highway traffic density is also a concern to me. Yours sincerely, Sam Weiss
