## **INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT**

**Name:** Mr Chris Rodd  
**Date Received:** 28 August 2018

---

Simply a bad idea and huge waste of tax payers money. Please stop any further development. The whole WestConnex project is poor policy for the following reasons: 1. It is inconsistent with the NSW Government's policy to reduce the number of cars coming into the city and to reduce congestion; 2. There has been inadequate planning and changing outcomes and the current goals of the project are not clear; 3. It has a flawed business case based on assumptions that are no longer valid; 4. The serious threats to our city's liveability including reduced air quality and the massive loss of parkland, trees and valuable inner city land; and 5. A serious lack of transparency and consultation with affected communities.
