INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Name: Mr Richard Stanford

Date Received: 28 August 2018

I object to the proposed plan for Westconnex.

It is inconsistent with the NSW Government's policy to reduce the number of cars coming into the city and to reduce congestion;

There are serious threats to our city's liveability, including reduced air quality and the massive loss of parkland, trees and valuable inner city land;

There is a serious lack of transparency and consultation with affected communities.
