**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Mrs Kristina Major

Date Received: 29 August 2018

It is very simple, WestConnex is the biggest abuse of government power every experienced in NSW. This project has not fulfilled any of the normal and ethical procedures required of well managed business. There has been no business plan, no real consultation with the community, no transparency. The Liberal government is and has been very shortsighted and seems to be intent of putting in toll road that benefit a few and not backing public transport.
