

**Submission  
No 91**

**INQUIRY INTO CEMETERIES AND CREMATORIA  
AMENDMENT REGULATION 2018**

**Name:** Michael CLARK  
**Date Received:** 3 September 2018

---

I cannot believe that once again this current state government requires the need to remove and distroy the history of this country. By destroying and reusing current grave sites this is exactly what will happen. For a change show some respect for our history and our dear departed. Leave our loved ones alone.
