## **INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT**

**Name:** Mrs Anne Wragby

**Date Received:** 30 August 2018

It is inconsistent with the NSW Government's policy to reduce the number of cars coming into the city and to reduce congestion; There has been inadequate planning and changing outcomes and the current goals of the project are not clear; It has a flawed business case based on assumptions that are no longer valid; The serious threats to our city's liveability including reduced air quality and the massive loss of parkland, trees and valuable inner city land; and A serious lack of transparency and consultation with affected communities.
