**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Mrs Sabrina Douglas

Date Received: 30 August 2018

We strongly disapprove of the WestConnex plan for the following reasons: - exhaust pipes are being located close to schools - it is encouraging not discouraging people to drive - investment is not being put into public transport - the cost is continuing to blow out, taking money from other vital parts of the country that need supporting This needs to stop and the funding needs to be re-directed to public transport
