**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Mr Michael Billing

Date Received: 30 August 2018

I'm not happy with what the NSW Government is planning to do.

It is a family issue. 25 years is far too short a time to be reclaiming graves. The following is an example of my own family grave site in the UK purchased by my Grandfather around 1926.

In this case it's a family grave where several members of my family are interred. My Great Grandfather in 1926 and My Great Grandmother in 1944, My Grandfather in 1956 (his headstone includes an inscription for my Uncle KIA 15th February 1942 when the Japanese over-run Singapore. I was named after him. Also my Father's Ashes in 2010 and my Uncles Ashes in 2012.
