INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Name: Mr Aaron Eisler

Date Received: 31 August 2018

Hi,

Nothing is more important than our health. If this Westconnex happens without putting filters on the pollution stack then I will join any class action that attempts to sue the government for punitive damages. How dare you even consider building infrastructure that spews concentrated poison into our community. I will vote for whichever party is going to provide cleaner, greener community.

Regards, Aaron
