INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Name: Mr Mark Read
Date Received: 30 August 2018

I'm sure many things have already been said - but those making these decisions are stealing from the tax payers to build this toll road that nobody asked for, no public decision making and no therefore should have no authority to continue. We should be encouraged to use and develop public transport not tolls to feed your banker-rupt buddies. Do your job.
