**Submission to the Inquiry into the Impact of WestConnex**

**Name: Maria Dion**

To the Director,

**Please find my comments on the Inquiry into the impact of WestConnex based on the Terms of Reference as follows.**

**I agree to my name being published.**

**(a) The adequacy of the business case for the WestConnex project, including the cost-benefits ratio**

**(b) The cost of WestConnex project, including the size and reasons for overruns**

waste of money, should and could have taken a better plan, under ground traffic (cars) etc, and better train line instead of roads

**(j) Any other related matter**

Not planned, pollution, dense living, nothing done for parramatta road , no bike lanes (increase use esp people living in the inner city) and in the interest of small group of people, bad example of sustainable living
