AMENDMENT REGULATION 2018**

The Hon. Scott Farlow  
Chair of Parliamentary Committee  
into Cemeteries

Dear Mr Farlow,

I am shocked and appalled at the intention of this Liberal Govt to destroy or get rid of people's remains after twenty five years, after burial or cremation. Do the people (politicians) advocating this idea have no thought for the families of the deceased.

This is absolutely disgusting, and I voice my utter opposition to this idea.

Hoping common sense and compassion will prevail.

Thanking you

Mr Dennis W. Hall
