**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Ms Paula Lancaster

Date Received: 31 August 2018

I wanted to add that when I wrote a long letter to the NSW Transport Minister outlining my horrendous daily commutes on the routinely overstuffed-way-beyond-capacity train service here in Sydney, I got a very flimsy reply from an underling who basically said in his letter 'Never mind, dear, there'll be nice little cup holders on the next lot of new trains'. Stuff hot coffee spilling on passengers! Give us a first-world public transport system and cancel WestConnex as a matter of long-overdue urgency!
