

**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Name suppressed

Date Received: 1 September 2018

Partially
Confidential

I am against the changes to cemetery act whereby remains can be removed after 25 years. My husband is terminally ill however I hope to live at least another 30 years. My right to be buried in same plot is now at risk. Let's respect people's right to a eternal resting place Angry
