

**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Name suppressed
Date Received: 1 September 2018

Partially
Confidential

I feel this is incredibly disrespectful to the dead. Do you really need to dig up the bodies of loved ones?? There is no need to and there are plenty of other areas you can explore to make use of the land there without doing this low, low act.

If you are going to exhume anything from the grave, why don't you lift the lockout laws and let sydney be a global city again?
