

**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Name suppressed
Date Received: 3 September 2018

Partially
Confidential

As the owner of a grave, think that the decision to remove and then resell it. A flawed decision as the population grows do you intend to reduce this time frame. It would be a far better solution to set aside land for future use. The decision to me is a very short term solution that doesn't work. Especially when people have bought the graves site in good faith.
