**INQUIRY INTO CEMETERIES AND CREMATORIA
AMENDMENT REGULATION 2018**

Name: Name suppressed

Date Received: 3 September 2018

Partially
Confidential

I honestly believe that the dead should be left alone and allowed to stay where they are buried. It allows loved ones a place to grieve over lost loved ones. I am not a biblical person but I honestly believe that the resting place of those we hold dear is sacrosanct and should not be disturbed by any government.
