To the Director,

Please find my comments on the Inquiry into the impact of WestConnex based on the Terms of Reference as follows.

(d) The compulsory acquisition of property for the project

Why was/is there a deliberate attempt to underpay?

(e) The recommendations of the Audit Office of New South Wales and the Australian National Audit Office in regards to WestConnex

Will these recommendations be considered at all or merely ignored?

(g) The relationship between WestConnex and other toll road projects including the Sydney Gateway, Western Harbour Tunnel, F6 and Beaches Link

In particular, who or which company owns what?

(j) Any other related matter

Why is it so difficult to obtain accurate and to-the-point information on Westconnex?
