**INQUIRY INTO CEMETERIES AND CREMATORIA  
AMENDMENT REGULATION 2018**

**Name:** Mrs Debra Jordan

**Date Received:** 8 September 2018

---

My 24 year old son is in the Aarakoon Cemetery at South West Rocks, his lot of land & three beside him have been bought & paid for by me, our final resting place... I did not rent the lots I bought them & no one has the right to claim them & dig my son up... to do this would be the most heinous act... Ashley Jordan was a beautiful young man, he was in the Australian Army, had just finished his first three year term & was signing up for another three years, he was off to Afghanistan with his battalion after the Christmas holidays, though Ash was killed in a car accident on Christmas Eve & didn't get to go with his mates. He loved our country & would have laid his life down defending it, he certainly does not deserve to be treated in such a callous manner.

Yours Sincerely  
Debra Jordan
