I am a 52 yo who lost my mum at 14 and recently my father and brother , who are all in the smae plot . Not only is dieing expensive. Its also a rip off . I look after our plot very well and so does my daughter. I would be absolutely devistated if anything happened to it . There is no time.on grief and i often go and just sit and talk . So under no circumstances do i give anyone permission to out our small paid for plot . I think this is do disrespectful and very hurtful to loved ones .
