

**INQUIRY INTO CEMETERIES AND CREMATORIA  
AMENDMENT REGULATION 2018**

**Name:** Name suppressed

**Date Received:** 30 August 2018

---

Partially  
Confidential

It seems as though the politicians are repeating what has tried to be done in UK. with cemeteries I personally think the proposal has malevolent inclination to destroy the happiness of family members. Once you choose to be buried then the site should be sacred forever-instead of greedy politicians changing the legislation. No thought whatsoever if legislation is changed as to how the community actually feels. Not much advertising has been either on government side to let the community know what is happening
